

FRIDAY SEMINAR

on molecular and computational biology
at the Institute for Genetics

Günter Schwarz

Institute for Biochemistry, University of Cologne

**Mitochondrial sulfite oxidase: Biogenesis,
metabolic function and cellular signaling**

Nov. 16, 2018 at 12:00 pm s.t.

Institute for Genetics, Zùlpicher Str. 47a,
lecture hall, 4th floor, 12:00 s.t.
